Dear Chief Secretary,

As you are aware that extended Gram Swaraj Abhiyaan (GSA) is being planned in 117 Aspirational Districts starting from 1st June to 15th August 2018. In this regard please also refer to D.O. letter dated 22nd May, 2018 from Secretary, Rural Development (copy enclosed).

2. It has been decided to include the recently launched POSHAN Abhiyaan also in GSA. You are aware that POSHAN Abhiyaan was launched by the Hon'ble Prime Minister on 08.03.2018 from Jhunjhunu. Convergence is the core of the POSHAN Abhiyaan. The States/UTs need to ensure convergence of all nutrition related schemes through close coordination between the Department of Women & Child Welfare, Health and Family Welfare, Drinking Water & Sanitation, Rural Development, Panchayati Raj, School Education and Food & Public Distribution and other concerned Departments as per the Convergence Action Plan prepared by the Ministry.

3. Since Village Health Sanitation and Nutrition Day (VHSND) is one of the important activities to measure many Health and Nutrition related indicators, it was decided to emphasize on VHSND during Gram Swaraj Abhiyan II in 117 Aspirational Districts. Further, Community Based Events (CBE) like Annaprashan, Godhbharai, Importance of Handwashing, Suposhan Diwas under POSHAN Abhiyaan also plays a vital role in bringing awareness among community and Social & Behaviour Change Communication.

4. Two Key performance indicators have been identified by MWCD from Nutrition aspect to be monitored under extended Gram Swaraj Abhiyaan (GSA) for its implementation in 117 Aspirational Districts in convergence with line departments are as under :-

- I. Village Health Sanitation and Nutrition Day (VHSND)
- II. Community Based Events (CBE)

5. Lady Supervisor shall collect data of VHSND and CBE and send it to project level officer (CDPOs). Project officers will share the data for Gram Swaraj Abhiyan II on GSA Portal. The format for CDPOs to enter data and the format for GSA II Portal are given at page 6 of the PPT. A copy of presentation made during orientation workshop for Prabhari Officers and Nodal Officers is also enclosed herewith as part of PPT. VHSND and CBE should be organised on different days in convergence with line departments in their respective villages/AWCs and should be monitored.

6. I would therefore request you to ensure conducting of VHSND and CBE in all Aanganwadi Centres (especially Aspirational Districts). It would be appreciated if micro planning is done in advance and visit of senior officers from State should be promoted and beneficiaries, Community members and service providers should be sensitized and encouraged to take part and monitor both the activities.

7. I shall be grateful if you could issue necessary instructions to the Principal Secretaries/Secretaries of the WCD Department and line departments of the States/UTs to hold meetings/VCs for Gram Swaraj Abhiyaan II on Key Performance Indicators of Nutrition and ensuring proper implementation.

With regards,

Yours sincerely,

Subject: Gram Swaraj Abhiyan for saturation in 115 Aspirational Districts

As my earlier dated May 22, 2018 (copy is enclosed for your ready reference) issued after the first meeting at the level of Cabinet Secretary would have indicated, saturation of 7 Programmes, is now attempted in all Villages with 1000+ population in 115 Aspirational Districts. It was our experience in the Gram Swaraj Abhiyan launched from April 14, 2018 in 16850 Villages that simultaneous thrust on 8 other public programmes during the period facilitated the saturation programmes.

2. NITI Aayog has already done very significant work in the 115 Aspirational Districts leading to the preparation of Action Plans in 115 Districts. These Action Plans had outlined the broad interventions to improve the outcomes of programmes especially in sectors like Education, Health, Nutrition, Agriculture and Skills. The already prepared Action Plans of the Districts for these 5 sectors could be speeded up as per the broad directions of NITI Aayog, during 1<sup>st</sup> June to 15<sup>th</sup> August 2018. It will greatly lead to Community participation and effective implementation of the saturation programme.

व.स. (R.K.)

24/5/18

3. To move systematically, it is suggested that CEO, NITI Aayog may like to convene a meeting early with the concerned Secretaries (D/o School Education & Literacy, M/o Health & Family Welfare, M/o Women & Child Development, M/o Rural Development & Panchayati Raj, D/o Agriculture Cooperation & Farmers' Welfare, D/o Agricultural Research & Education, D/o Animal Husbandry, Dairying & Fisheries, M/o Skill Development & Entrepreneurship) to finalize the programmes that the concerned Departments will implement in the 115 Aspirational Districts during this period, based completely on the NITI Aayog's approach and Action Plans prepared so far. Since, Gram Swaraj Abhiyan also has a Public Portal where each and every intervention is monitored, some of the key performance indicators for programmes to be implemented could be captured on the same. Ministry of Rural Development & Panchayati Raj has also worked out a detailed plan to implement all its programmes on top priority in these 45137 Villages during this period.

contd...

4. We look forward a meeting under your Chairmanship early to enable the Gram Swaraj Abhiyan to succeed on its saturation thrust in the Aspirational Districts.

Yours sincerely,

sd/-

D.O.No. RD/Secy/12/2018-GSA

May 22, 2018

**Subject:** Gram Swaraj Abhiyan in 115 Aspirational Districts – saturation of villages with population above 1,000 by 15<sup>th</sup> August, 2018.

Dear Chief Secretary,

This is to thank you for taking personal interest and guiding the State level and District level officers to make Gram Swaraj Abhiyan (GSA) in your State a success. Encouraged by the success, Government would like to seek your support in extending the Gram Swaraj Abhiyan to 115 Aspirational Districts identified by the NITI Aayog also.

2. It is proposed to undertake similar saturation of seven programmes in 45,137 villages having population of more than 1,000 in the 115 identified Aspirational Districts by 15<sup>th</sup> August, 2018. These schemes are Pradhan Mantri Ujjwala Yojana; Saubhagya-Pradhan Mantri Sahaj Bijli Har Ghar Yojana; Ujala Yojana; Pradhan Mantri Jan Dhan Yojana; Pradhan Mantri Jeevan Jyoti Bima Yojana; Pradhan Mantri Suraksha Bima Yojana; and Mission Indradhanush. A list of district-wise number of villages with population-size >1000 for Aspirational Districts is enclosed.

3. You would agree that saturation of seven schemes in Aspirational Districts, requiring mobilisation of Government agencies at different levels, would catalyse the implementation of Action Plans of these districts which have already been prepared by the District Collectors under the Aspirational Districts Programme. Sectors like Education, Health, Nutrition, Skills and Agriculture would also carry out their sector-specific activities in these villages of Aspirational Districts. The Ministries of Panchayati Raj and Rural Development would undertake capacity building of Panchayat leaders and engagement with SHGs in these villages. A team of Deputy Secretary/Under Secretary level officers would be

Contd. ... 2/

nominated for these districts as Nodal Officers who would work under the overall guidance of Prabhari Officers of Aspirational Districts.

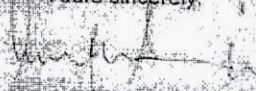

4. The role played by you and your team at the State level as well as the initiatives by District Collectors would be most critical to the success of the Abhiyan. Community connect would also be a key element for achieving success. Suitable advisories to concerned Departments, District Offices and Blocks may please be sent to make the campaign effective.

5. The four Ministries In-Charge of seven saturation schemes would be undertaking preparatory work and identification of beneficiaries prior to the rolling out of the programme. The Ministry of Rural Development would coordinate this process and the progress would be monitored on a real-time basis through a Portal accessible to all. I would request you to involve and activate the State level Nodal Officers already designated for the Aspirational Districts. The Prabhari Officers along with their teams would be interacting with the concerned Collectors / DCs and State Nodal Officers.

6. We would be grateful for your support and indulgence in this national endeavour.

*With kindest regards,*

Yours sincerely,

  
[Amarjeet Sinha]
