Expenditure Filing on PFMS

The process of feeding the day to day transactions as recorded in the cash book on the PFMS portal by an agency registered on PFMS, is called expenditure filing.

An agency should be registered on PFMS for filing expenditure. On registration of an agency, it gets an Agency Admin log in and password.

Log in to PFMS with Admin log in and password received at the time of registering the agency.

Creation of Maker and Checker :

The CPSMS has been designed with Maker Checker concept where the Data Operator (Maker) will make all transaction entries and submit it to the Data Approver (Checker) for verification and approval/rejection of transactions. For this purpose two separate users have to be created as Data Operator and Data Approver by the Admn user.

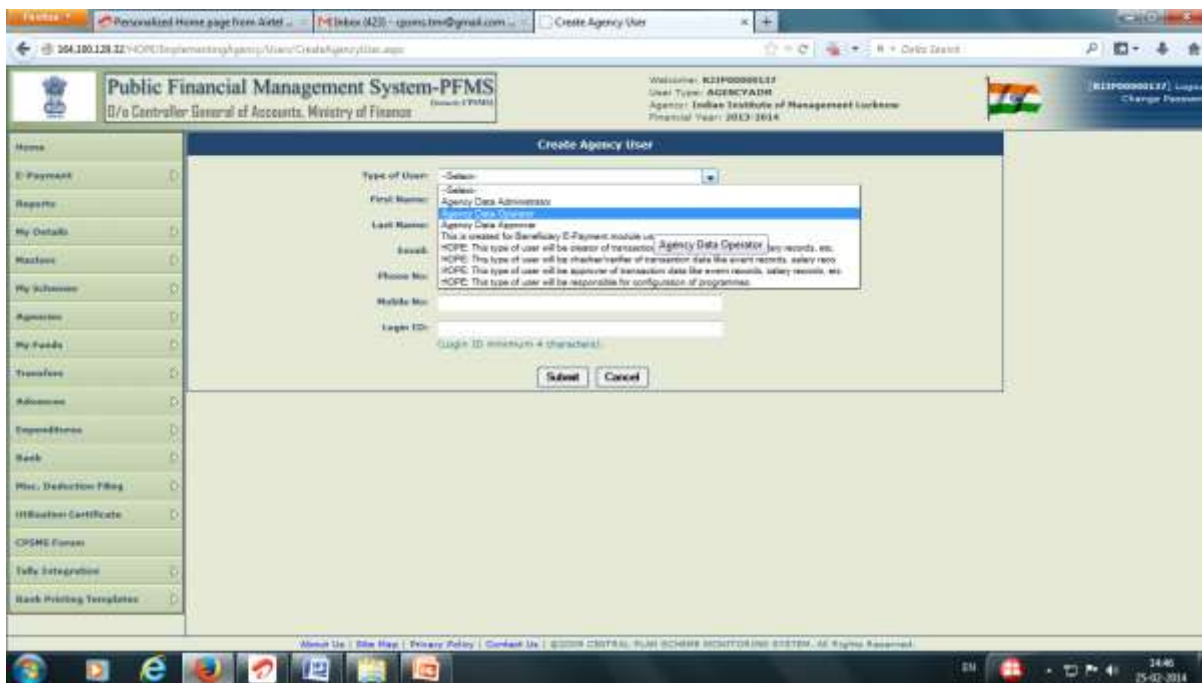

Figure 1: PFMS Home Page (pfms.nic.in) - Login

Go to Masters – Users-Add New.

On clicking the Add New Button, the Registration window will open

Select the type as Data Operator or Data Approver, as the case may be.

- Enter the First Name
- Enter the Last Name

- Enter E mail: This should be an correct and operational email as the password and other communication will be sent to this registered mail only.
- Enter the Office Phone Number
- Enter Mobile Number, if any.
- Give a Login id for the user.

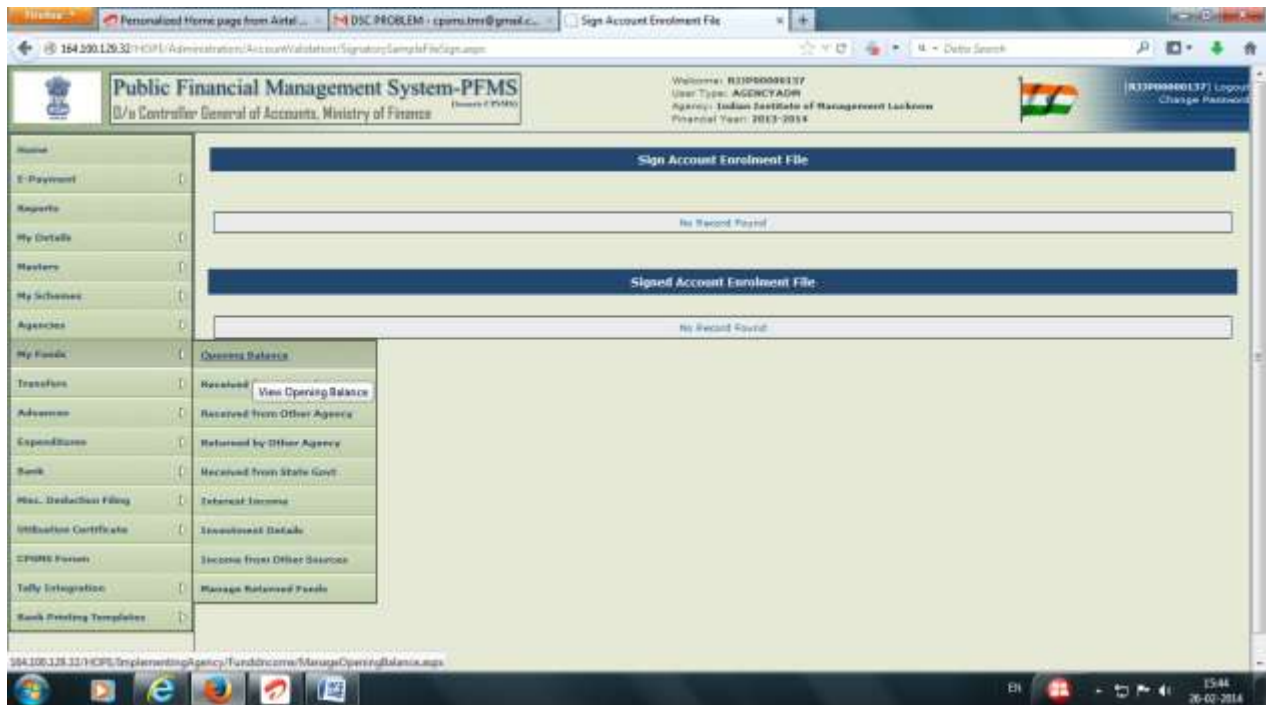

After entering all these details click on submit button. A successfully registered message will appear. Password of the user will be forwarded to the email of the user submitted at the time of creation. Follow the same procedure for creation of Data Approver by selecting the type as Data Approver. After obtaining the password the operator and approver can log in to do their respective functions.

My Fund -Entering all receipts of the agency:

The receipts of the agency consists of opening balance, receipts from Central Government, , receipts from other agencies, receipts from State Government returned by other agencies, interest income, income from other sources, etc. All details will be entered by Data Operator and approved by Data Approver.

Opening Balance :

The opening balance as per the cash book as on 1st April of the financial year is to be entered on the PFMS portal. This is a onetime exercise when the agency starts filing expenditure in PFMS. In subsequent years, the opening balance will be automatically available in the system. For capturing opening balance, the Data Operator will log in and go to My Fund>Opening Balance option as shown below:

After entering the Opening Balance page click on Add Opening Balance button. The page for capturing opening balance will open.

- Select the Scheme to which the opening balance is to be added from the drop down list.
- Select the appropriate bank account for which the opening balance is to be added. For Cash Balance select Cash option.
- Available balance in the system against the bank account selected will be displayed by the system. At the start of Expenditure Filing by an Agency it will be Zero.
- Enter the opening balance amount.

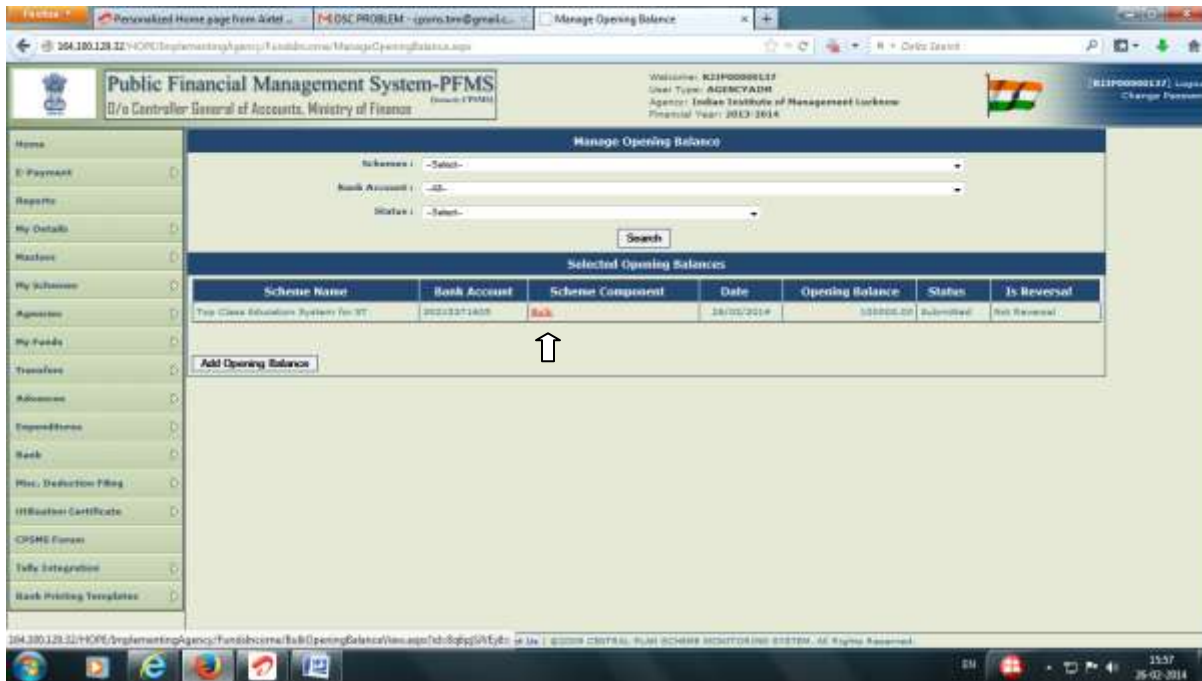

- From the Date picker, post the opening balance date.
- Select the option as Component wise or as Bulk. Component wise option is for entering opening balance against each and every component. Bulk option is for entering opening balance against all components.
- **Select Reverse Entry check box for making a reversal entry (deduction) from opening balance already entered.**

After entering all the details, click on Save Button to save the opening balance in the system.

The opening balance entry will be approved by Data Approver.

- Data approver will log in and go to>My fund>Opening Balance.
- The opening balance submitted by Operator will be displayed in the page.
- Click on scheme component Button for opening the page.
- Verify the details of opening balance entry.
- The approver can approve, reject or cancel the entry.

Verify the details and approve/reject the entry as the case may be. Rejected entries can be edited and submitted again by the Data Operator to the Data Approver. The balance in the selected account for opening balance will be inflated to the extent of approved opening balance amount.

Receipts from Central Government :

The approver will log in and go to Advances>Advance Settlement and click on sanction number to open Advance Settlement Approval page.

Select the check box and approve the settlement amount.

A message showing 'Settlement Details Approved Successfully' will appear. This will complete the process of advance settlement. Advances once settled will form part of

expenditure. The current status of advance can be viewed by going to Advances-
Manage menu.

Expenditure

Expenditure module is used for capturing of all expenses incurred directly by the implementing agency like salary expenses, office expenses etc. For entering expenditure voucher details go to Expenditure>Add New.

Select the Scheme from the dropdown menu

Select Account number of the Agency to be debited.

Select payee as self or Vendor/Beneficiary. In case of Vendor/Beneficiary, select the Vendor from the Vendor list created. Vendor/Beneficiary list can be created by clicking on 'Add New Vendor/Beneficiary' link of expenditure page or going to Masters>Vendors>Add New link.

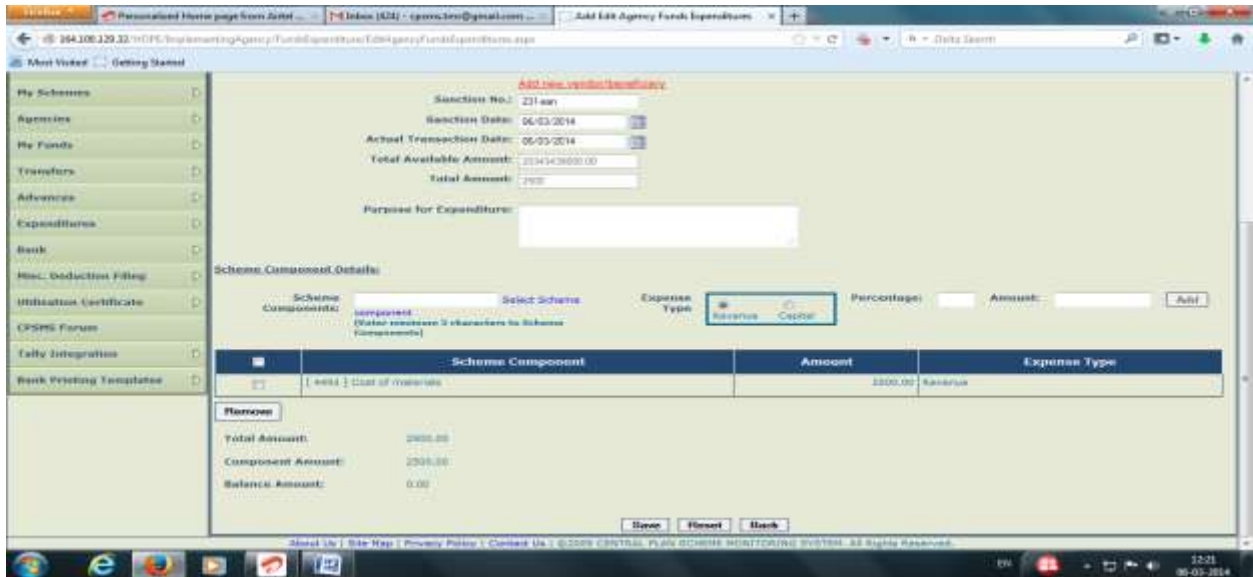

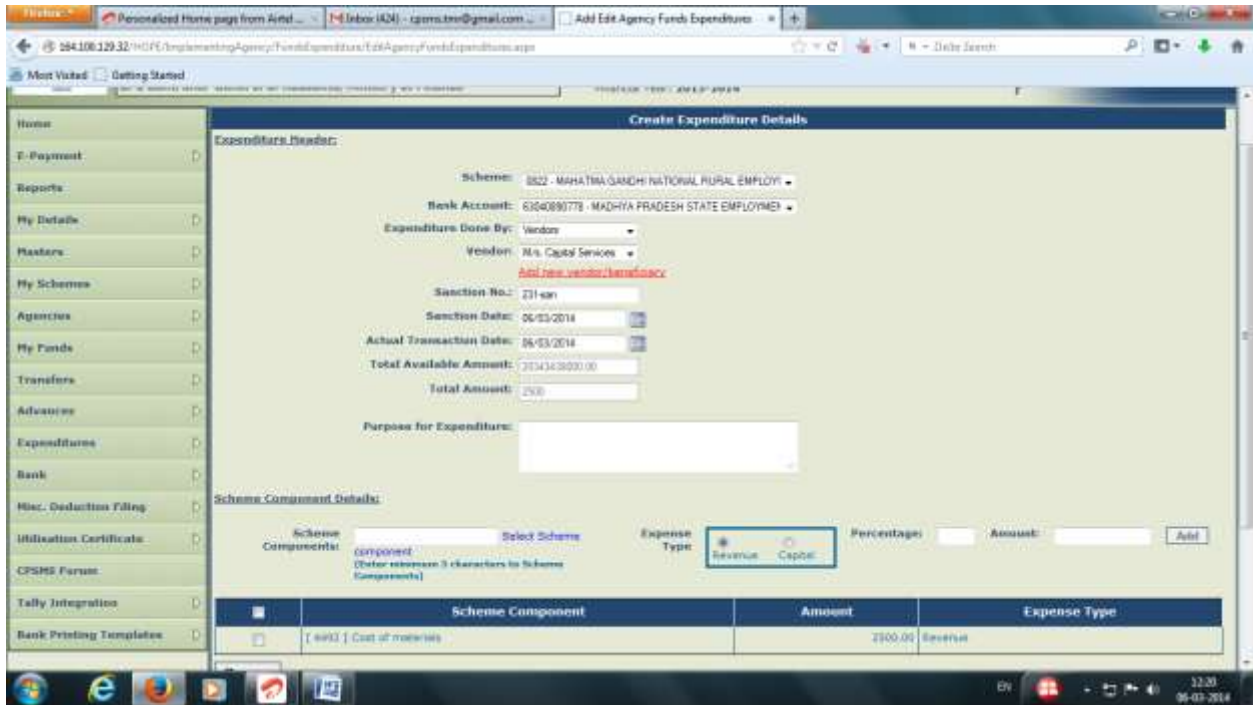

Enter Sanction No., Sanction Date and Actual Transaction Date in the respective columns. Enter the gross amount to be paid in the total amount paid column.

Select the component of expenditure,

Select expense type as Revenue or Capital,

Enter the amount or percentage and click Add for display of component details in a grid. The gross amount and component/s amount should tally to proceed further.

Click on save button to save the entry. Upon saving the entry, the user will be prompted for entering the payee details. Click 'Yes' to proceed for entering payee details as explained in Transfer and Advance module.

The approver will login, go to Expenditure-Approve and after verifying the details, approve the expenditure to complete the process.

Payment of Deduction made from Advance/Expenditure Bills.

The deductions made from Advance/Expenditure bill can be made from the Menu Misc. Deduction filing. Go to Misc. Deduction>Manage Deductions. The page will show

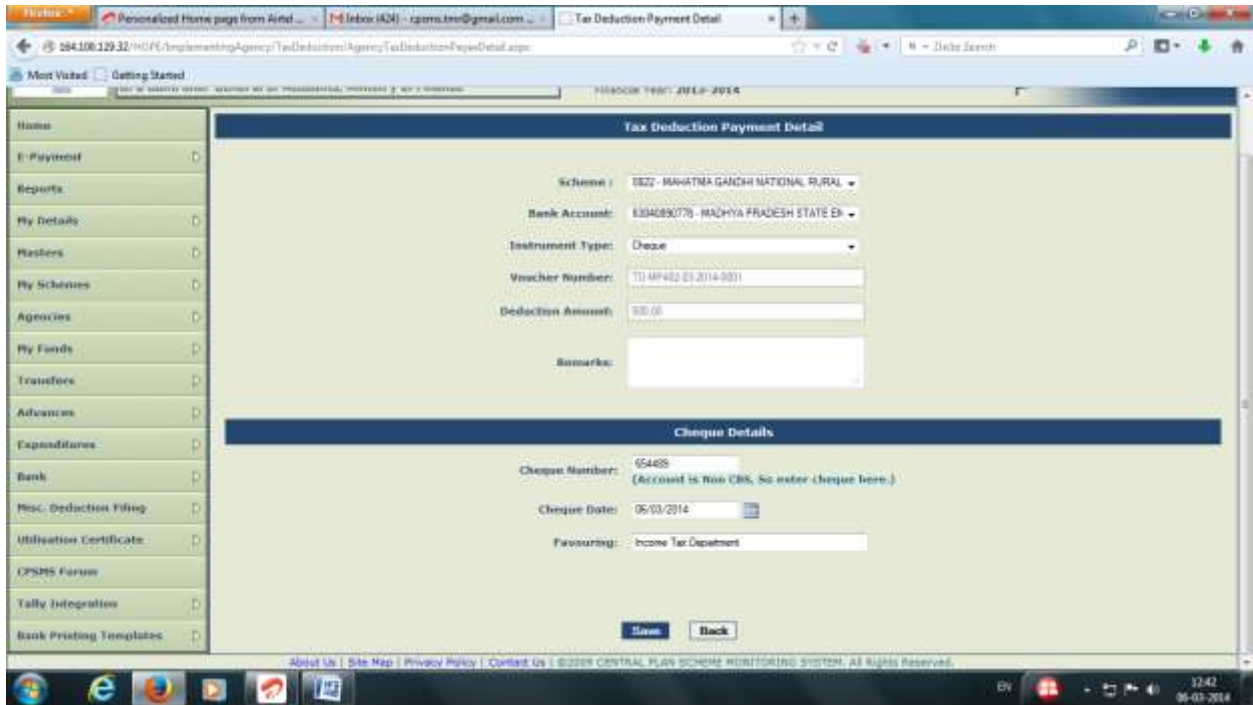

sanction details along with deduction details made from that sanction. Select the sanction by clicking on the check box and click 'Add Deduction'

Select Scheme and Deduction Type and search to see list of sanctions where deductions have been effected.

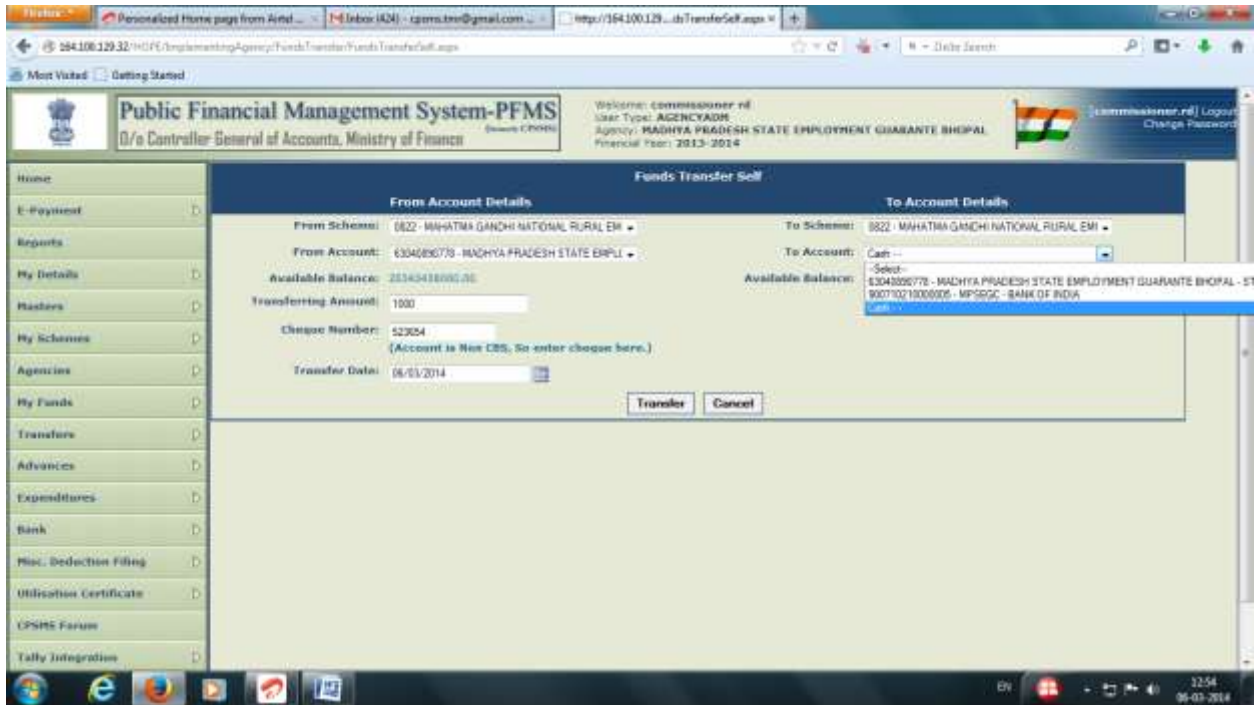

Select the sanction/s and click Add deductions. Tax deduction payment entering page will open

Enter Scheme, Account Number and Instrument Number. Deducted amount will be shown by default by the system. Enter the instrument details and payee detail and save to complete payment of deducted amount.

Inter Bank Transfer

This sub menu is used for transferring amount in the system from one bank account to another or to cash and between schemes, if the agency operates more than one scheme, within the same agency. Go to Bank>Interbank Transfer to open the Interbank Transfer page. Select the Scheme from which the amount is to be transferred and the Scheme to which it is to be transferred. If the fund is to be transferred between two different accounts of the same scheme, select the same scheme on both sides. Select the 'From' and 'To' account/cash, Transferring Amount, Instrument No. and Transfer date and click Transfer button.

The transferred amount will be deducted from the 'From Account' and will added to the Account/Cash selected for transferring the amount.
