11.	Other important observations/directions of CSMC
------------	--

The following important observations were made regarding project proposals under PMAY (U). States should take note of the observations of CSMC and take further action accordingly:

- i. **The CSMC meeting will now be held on last Wednesday of every month. This will enable timely preparation of proposals by all States/UT Government for consideration of CSMC. Accordingly, the next CSMC meeting is scheduled to be held on 27th September 2017.**
- ii. **All the proposals regarding Demonstration Housing projects may be placed before CSMC in the next meeting. (Action: HFA-V, BMTPC)**
- iii. **Secretary, MoHUA advised States/UT Governments to consider ISSR component of PMAY (U) for rehabilitation of slums since it requires lesser investment as land is used as a resource which is readily available for redevelopment.**
- iv. **First instalment of Central Assistance in case of BLC/ISSR projects shall be released when all beneficiaries in the project is Aadhaar seeded and in case of AHP projects 2nd instalment shall be released only after Aadhaar seeding of all beneficiaries is captured in the project. Hence, claim for release of 2nd instalment of Central Assistance for a project must be submitted only after the**

Aadhaar seeding of all the beneficiaries in the project is completed in PMAY (U)-MIS by the State/UT Governments.

- v. Secretary, MoHUA directed that MIS report(s) captured in PMAY (U) may be shared with States/UTs on fortnightly basis.
- vi. It was directed that all North-Eastern States, smaller States like Kerala and Goa, Hilly States (Uttarakhand, Himachal Pradesh and Jammu & Kashmir) and all UTs should saturate their total demand for sanction in the year 2017-18 itself, which will enable them to complete all the houses by 2020. All other States should saturate their 50% of the demand for sanction in the year 2017-18 and balance 50% in 2018-19, which would enable them to complete the houses by 2021-22 along with UCs and completion certificates etc.
- vii. States/UTs to collect data in respect of houses of EWS/LIG category which are being constructed through State sponsored schemes, Development Authorities, Housing Boards, Private Developers and Individual constructions in all statutory towns.
- viii. It was suggested that States and UTs share good quality images of the housing for documentation of case studies. It was also advised to document success stories of the PMAY (U) projects which highlight a tangible change in the livelihood of the beneficiaries due to this programme.
- ix. MoHUA will document, film and disseminate the good practices through its quarterly newsletters.
- x. The States were advised to incorporate latest technology in construction of housing units and document the same.
- xi. A robust MIS System is critical for PMAY (U) Mission. States need to constantly monitor the progress of survey data entries and link to sanctioned projects in PMAY (U)-MIS.
- xii. All State/UT Governments to ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS. Beneficiaries details to be entered in the PMAY (U) MIS should be Aadhaar based and name of beneficiary as in Aadhaar should be entered.
- xiii. The agencies responsible for implementation of PMAY should get themselves registered on Public Finance Management System (PFMS) portal.
- xiv. Under PMFS/DBT process, the funds would have to be transferred at every stage only through electronic mode. This may relate to PMAY as under:
 - a. In case of Centrally Sponsored Schemes:
 1. For Beneficiary Led individual house Construction (BLC), under PMAY (Urban), the bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly.
 2. In the case of Affordable Housing in Partnership (AHP), the 2nd instalment to the State Government should be released only after receipt of beneficiary list with linkage of Aadhaar numbers of the beneficiaries

duly certified by the State Government/ UT concerned and uploaded in the PMAY- MIS portal.

b. In case of Central Sector Scheme:

1. for CLSS, the Central assistance is deposited upfront in the loan account of the beneficiary, after the bank receives the funds from CNAs
- xv. State Level Appraisal Committee is expected to thoroughly appraise the DPRs before submitting it to State Level Sanctioning & Monitoring Committee for approval. Combining SLAC and SLSMC meeting is not permissible as the mandate of the two bodies are distinct.
- xvi. Projects such as VAMBAY, JNNURM, which have already been funded under housing schemes of GoI should not be considered for further funding under PMAY (U).
- xvii. Under BLC, all individual houses shall have to be Geo-tagged on the BHUVAN (MoHUA) application. Further, the States are advised to release funds to the beneficiary only after the beneficiary completes the construction up to foundation level through their own funds.
- xviii. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY (U). The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/registration fee for applying for Houses in PMAY (U). Thus, no individual/agency/organization can collect any money/application fee from the beneficiary for enrolment under PMAY (U). All State Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this fraudulent activity.
- xix. BMTPC to come out with a standard layout for BLC projects for all States/UTs.
(Action: BMTPC)
- xx. Since Rajiv Awas Yojana (RAY) is subsumed in Pradhan Mantri Awas Yojana PMAY (U), Third Party Quality and Monitoring Agencies (TPQMA) appointed for PMAY (U) may also certify quality aspects of RAY projects.
- xxi. All States/UTs should utilize the released central funds expeditiously and avoid parking of funds.

The meeting ended with a vote of thanks to the Chair.
